1. Carver High School! Carver High School!
Sing we now our songs of praise.
Song of praise and adoration
With our voice now we raise.
Striving onward, striving upward;
Striving with a heart so true.
Carver High School! Carver High School!
We'll fore're be true to you.
2. As we go to fight life's battle,
May we all thy teachings bear;
So that we may all work to be like he
Whose name thy front doth bear.
May we move upon life's road
To bear our hardships trials too.
Carver High School! Carver High School!
We'll fore'er be true to you.
3. Carver High School! Alma Mater!
May we ever, ever be;
A great service to our nation
And a service to thee
Still now wearing thy dear colors
Of maroon and golden hue.
Carver High School! Alma Mater!
We'll fore'er be true to you.

Coda--

Ever be true to you.

Class Prophecy

Spirits of the underworld uncloud my vision and reveals to me the happenings which shall take place in 1964, concerning these departing souls.

AH! At Last-----But what is this I see?-----

John Avery, who has finally said "I do" with Audrey Acty, is now boss and coach of the famous Morgan State's football team. The team average for the season;ffive games lost, zero games won.

Not being able to get into a music school, William Humes has finally opened the first of its kind, a music school for birds, in Bird-ville.

Beatrice Poindexter is still at home with her family. She cannot get herself to leave home-sweet-home.

Marie Jackson, the big blues singer, has just divorced her fifth husband, Frank Poindexter.

Harry Faulk has long given up the idea of Commerical Art, and is now a tenant farmer of George Washington's Farm.

Due to the recent paper shortage, Homer Smith is making his fortune selling rags.

Thomas Hunter now has a resturant of his own. A sign there in reads "EAT HERE", "SEE YOUR DOCTOR LATER."

Lulabelle Taylor has opened a dancing school with such pupils as Laura Gillerson, Anna Dinkens, and Ula Young.

Joyce Duvall is living in Virginia. She has left Laynie Beck behind and moved to a more sophisticated life.

Irene Johnson is teaching her old time popularity to her daughters, and Joe Weston is teaching their sons how to dance without doing the knee bend all the time.

Harriet Lewis has dâscovered at this time that the styles in dresses and skirts have changed. She has bought a ward-robe of all new styles.

George Taylor has changed from a quiet boy to another Bo-Jingles, only he is not tap-dancing. His brother, Dixie, is doing the dancing because George is a little stiff.

Martha Rowe Has enrolled her tripletts at Lucille Richads Day Nursery.

Leroy Hill and Helen Cooper are living in Detroit; Helen is teaching the children how to keep their height down.

Jean Hill is now taking further study in chemistry, so that she can receive her M. A. from Howard University.

Carroll Apperson is back at Good Old Carver, delivering the Bac-calaureate Sermon to the members of the Class of '58.

Rosa Dade is still grumbling because she ~~thinks~~ the sun should rise in the west and set in the east.

Randolph Christian is head "Grease Monkey" at Doris Clore's garage.

Class History

In September 1950, 189 eager freshmen entered the doors of this institute which was relatively young at the time. Our activities as a class were very few. We only wrapped the Maypole on Fields Day. We were sponsored that year by Mrs. Anglin; Mrs. Washington; Mr. Black and our own hard-working Miss Scott. The next two years were almost the same. We were represented in many activities as we are now but still we had done nothing extra-ordinary. During our sophomore year we were sponsored by Miss Scott; Mr. Jones; Mr. Black; and Mrs. Anglin. In the junior year we were sponsored by Mrs. Jackson; Miss Reed and Miss Scott. We sponsored the Junior-Senior Prom in our Junior year. It was a great success with the aid of our sponsors. I'm sure that everyone enjoyed this event, especially the juniors who had worked so hard. We were happy as juniors, but we yearned for the final step...to become a senior. Our dreams of four years came true in September 1953. we were over-joyed but we realized that during our upward struggle we had lost more than half of our friends and classmates. There were only 92 of us. We are well represented in the activities by members of this class. Choir: Lucille Richards, Doris Clore, William Humes, Martha Roe, Leroy Hill, Laynie Beck, William Arrington, Annie Ficklin, William Taylor, Rachel Gaines, June Davis, Virginia Davis, Mildred Williams, Sherman Williams, Shirley Jackson, Jean Hill, Dorothy Gordon, Audrey Acty, Dorothy Jones, Louise Thomas, Alberta Jackson, Fred Kilby.

Band; Laynie Beck, Leroy Hill, William Humes, William Arrington, William Taylor, Annie Ficklin, Doris Clore, Irene Johnson, Mary Jackson, Louise Thomas, Lois Gibbs, Alberta Jackson, Fred Kilby, Douglas Carter. We are also proud of our majorette, Francis Ferris, and our leader of the band, Audrey Acty.

N.F.A.: Solomon Williams, William Gray, Marcellous Frye, Charles Gentry, Adelbert Triplett, Thomas Carpenter, Eugene Ferguson, William Arrington, and Dixie Taylor.

Speech and Dramatics: Audrey Acty, Joanne Jones, Alberta Jackson, Eula Young, Kate Pendleton, Irene Johnson, Barbara Johnson, Lula Taylor, Elenor Chandler.

Basketball: Bessie Robinson, Martha Roe, Lillian Brock, Shirley Jackson, Audrey Acty, Dorothy Gordon, Marie Jackson, Doris Clore, Francis Ferris, Rosa Dade, Homer Brown, Joseph Weston, Homer Smith, Randolph Christian, John Avery.

Football: John Avery, Randolph Christian, Homer Smith, Joseph Weston, James Hill, and Morris Smith.

Patrols: William Yates, Sherman Williams, Carroll Apperson, Barbara Johnson, Fred Kilby, Thomas Hunter, Francis Ferris, Mildred Williams, Douglas Carter, James Hill, Joseph Weston.

French: Leroy Hill, Joyce Duvall, Jean Hill, Mae Lewis, Francis Ferris, Audrey Acty, John Avery, Carrie Hayden, Fred Kilby and Laura Gillerson.

Pep: Audrey Acty, Dorothy Gordon, Marie Jackson, Rosa Dade, and Doris Clore. We are really proud of our active seniors.

Our four years here have been "The best years of our lives". We wish to insure our teachers that all of their work has not been in vain.
